2. The tournament will consist of 20 teams separated into 4 divisions of 5 teams each.
3. There will be a Round Robin, point gathering series in each division, where each team in their respective divisions will play each other once. Points gathered from these games will be as follows: 2 points for a win, 1 point for a tie, and 0 points for a loss. In addition, the winner of each period will be awarded a single point, and if the period ends in a tie, each team receives a $\frac{1}{2}$ point. The maximum point potential for a team, per game, would be 5.
4. In lieu of the Wayne Gretzky rule, the maximum goal spread **displayed on the scoreboard** for any game will be five (5).
5. A team forfeiting a game for any reason will be awarded 0 points and the opposing team will receive 5 points.
6. After completion of the Round Robin series, team points from each division will be tallied. In the event a division has 2 or more teams tied for points, the following rules will apply:

7. The top two teams from the round robin play in each pool will move on to the Semi-Finals. The winners of these games will then move on to the medal games.

*All games count toward Final standing, including points from Semi-Final games (also considered 5 point games). The top two teams play for Gold, the other two play for Bronze.
8. This tournament format guarantees that every team will play a minimum of four games.

Game Format:

1. Each Round Robin game is allotted 1 hour and 30 minutes and will consist of a 5-minute warm up followed by two 15-minute stop-time periods. If the goal differential is 5 or more at any time in the 3rd period, then it will become running time. If the goal spread is less than 5 at any time during the 3rd period, then it will be stop-time.
2. **In an effort to keep all Round Robin games on time, the referees will be given the discretion to run stop time or run time in the last 5 mins of the time remaining on the score clock.**
3. There is no overtime in Round Robin play.
4. All **playoff** games will be allotted 1 hour and 30 minutes. These games will include a 5-minute warm up to be followed by two 15-minute stop-time periods. At the beginning of the 3rd period, the clock will be set at half the time remaining (up to a maximum of 15 minutes) and will be run at stop-time.
5. If a **playoff** game is tied at the end of regulation, one sudden death overtime period of 5 minutes stop-time will commence. There will be 5 skaters per team during an overtime period.
6. If the game is still tied at the end of the overtime period, a shoot out will follow consisting of 5 shots per team. If after the initial shootout the teams are still tied, the shoot out will continue

Coaches will have to rank their rosters prior to the shoot out rotating through their rosters until all players have had an opportunity to shoot or a winner has been decided.
